Minutes of PPNO Meeting

Members were welcomed to the meeting by Doreen Kaneko, President. The meeting was held at Georgian Bay General Hospital. The meeting was generously hosted by Liliana Canadic, Vice President and CNE of Georgian Bay General Hospital. The event was successful once again with great attendance and a number of hospitals joining in by OTN.

Topics included a presentation by Southlake Regional hospital by Betty Anne Whelan, Project Manager, on the topic of Models of Care and Redesign. This topic generated great discussion.

Georgian Bay General Hospital also presented on the innovative triage process in the Emergency Department that utilizes kiosks in order for patients to register. This has proven most successful in the timely registration and triaging of patients.

The Executive wishes to thank all of the presenters for such informative topics and presentations.

Special thanks again to Liliana Canadic and Georgian Bay General Hospital for hosting.
