

Spring 2021 CNA Psychiatric/Mental Health Exam Prep Online Webinar

**Tuesday April 13, 2021 (8:00 to 4:00) and
Wednesday April 14, 2021 (8:00 to 4:00)**

Centre for Addiction and Mental Health (CAMH)

This two-day webinar is a comprehensive review course designed to help prepare Registered Nurses who are writing the Canadian Nurses Association (CNA) Certification Examination in Psychiatric/Mental Health Nursing Specialty.

Each topic is presented in an engaging online discussion format with presentations by leaders in their clinical specialty, question and answer sessions and quizzes to test your knowledge.

RNs and RPNs who are not taking the exam in but are interested in attending this comprehensive review of CNA Psychiatric/Mental Health Nursing Competencies are also welcome.

Register online at <https://app.certain.com/profile/3234561>

- Course Fee \$150 by credit card only

Topics included in the two-day workshop:

- **Therapeutic Relationships**
- **Clients with Alterations in Mood; and Clients with Anxiety**
- **Clients with Psychosis**
- **Clients with Addictive Behaviours**
- **Clients with Alterations in Cognition: Delirium, Dementia, and Brain Injury**
