

- 1) Navigate to **IView/I&O** on the left-hand menu.
- 2) Navigate to the **Adult Quick View** band.
- 3) Navigate to the **Activities of Daily Living** section to complete documentation.
- 4) The **Activities of Daily Living** information displays on the right.

****Note: This is where you will complete ongoing documentation for transfers, toileting, hygiene etc****

- 5) Once your documentation is completed, always press the green checkmark to sign.

The screenshot shows the ONE CHART interface with the following elements and callouts:

- Callout 1:** Points to the **IView / I&O** menu item in the left-hand navigation menu.
- Callout 2:** Points to the **Adult Quick View** section in the central pane.
- Callout 3:** Points to the **Activities of Daily Living** section within the Adult Quick View.
- Callout 4:** Points to the detailed data table for **Activities of Daily Living** on the right side of the screen.
- Callout 5:** Points to the top navigation bar where the **IView / I&O** view is active.

The interface includes a top header with patient information (DOB: 1975/10/21, Sex: Male, Allergies: No Known Alle) and a left-hand menu with various clinical tools. The central pane displays a list of assessment categories, and the right pane shows a detailed table for the selected activity.
