

# Collaborative Leadership **for nurses**

**THUNDER BAY** JULY 12

**WeRPN is pleased to be hosting a new free workshop series focused on building collaborative leadership skills.**

Attendees will:

- Learn approaches to collaborate effectively & strengthen leadership interactions.
- Dive into emotional intelligence & its importance in nursing as well as
- the role that neuroscience plays in enabling collaboration in healthcare teams.
- Examine the interaction between cultural safety and emotional well-being.
- Connect & network with fellow RPNs.

Join us in Thunder Bay  
on July 12th, 2024
